Bhavesh Patil

Fullstack Web Developer

Career Objective

My career objective is to leverage my skills and knowledge to contribute to the development of dynamic and responsive web applications. I am passionate about creating exceptional user experiences and staying up-to-date with the latest industry trends and best practices.

Education

Diploma in Computer Engineering

CGPIT, Uka Tarsadia

2021-2024

SSC

Sungrace School

2018

Internship & Projects

Sridix Technology | Web Developer

May 2023 - June 2023

- E-Commerce Website
- Job & Blogging Portal

Snippy - Code Sharing Platform

https://snippy-bb.vercel.app/

Snippy is a simple and fast web app that lets you create, edit, and share code snippets with anyone. Just copy and paste your code, choose a language and a name, and click on Create.

SkipSquad - Attendance Tracker for Students

https://skipsquad.vercel.app

This is a basic web-based attendance tracker designed for students. They can track and generate graphs for their attendance using our app. We've also included AI to retrieve a list of subjects based on their field of study.

Expense Manager

https://expensemanager.bhaveshp.dev/

This is a simple web-based expense manager application that allows you to add, edit, and delete your expenses. The data is stored persistently on the client-side using the browser's local storage.

Todo App

https://todo.bhaveshp.dev/

This is a simple web application for managing todo list. Where you can add, edit, and delete tasks, and mark them as completed when you're done.
